Part No. SAL100
Revised: 1/27/2017

WARRANTY STATEMENT

Sunair Products warrants the products it offers, to the original purchaser only, to be free from defects in materials and workmanship under normal use and service for a period of (90) ninety days from date of purchase. Sunair Products reserves the option to replace any defective part(s) or issue credit at the original sale price only. Both the implied warranties of merchantability and fitness for a particular purpose are limited in their duration to the above warranty period. No agreement or promise is made to reimburse for labor or refrigerant loss in the replacement of any part(s). There will be no credit for labor or other costs incurred in connection with any defective part(s).

Sunair Products will not warrant its products if it is determined that alternative refrigerants have been used. We warrant our products under this agreement only if R-12 or R-134a refrigerant is used in the mobile A/C system.

There are no representations, warranties or conditions expressed or implied, statutory or otherwise, except those herein contained. Sunair Products assumes no liability for damages, losses or injuries direct or consequential that may arise from the use or inability to use its products. Any part(s) damaged as a result of misuse, poor installation, alteration or any other abuse, including improper packaging of returns to Sunair Products, will not be given warranty consideration regardless of the original claimed defect.

Sunair Products warrants its compressors to be free of defects in material and workmanship for 12 months from the date of sale to the original end-user. This limited warranty covers the compressor only and does not include labor of any kind or parts not furnished by the manufacturer or distributer.

This warranty does not cover defects or malfunctions which result from causes beyond our control, including, without limitation:
1. Alteration outside of manufacturer's factory in any way that negatively affects the integrity of the compressor.
2. Misuse, abuse, accident, neglect or other abnormal use.
3. Damage due to refrigerants, chemicals, or other agents due to improper installation.

The following installation requirements must be performed to be considered for warranty:
1. Must replace filter drier or accumulator drier.
2. Must replace orifice tube or liquid line that contains fixed orifice tube (if applicable).
3. Must inspect expansion valve and replace if not functioning properly (if applicable).
4. Must insure the correct type and amount of refrigerant oil is used per OEM specs.
5. Must clean A/C system with an approved flush, using an approved method.
6. Must evacuate entire A/C system for a minimum of 45 minutes.
7. Must use only R12 or R134a refrigerant.
8. Installation must be performed by a certified professional repair technician.

Defective part(s) may be returned to Sunair Products only after authorization has been granted by Sunair Products Routing for returned part(s) shall be in the most cost effective manner.

MERCHANDISE RETURN POLICY

1. New / warranty merchandise will be accepted for credit only with prior approval by an Account Manager. Your Account Manager will issue a **RETURNED MATERIAL AUTHORIZATION (RMA)** number which must appear on all returned cartons and corresponding packing list(s). Any merchandise returned may be subject to a restocking/refurbishing charge. Merchandise must be received within 30 days of issuance of the RMA number, otherwise credit will not be issued.

2. New merchandise must be returned in factory fresh condition. You will be notified by your Account Manager when repackaging and/or refurbishing is required to restore the merchandise to a marketable condition. The fee for repackaging/refurbishing will be presented to you to accept or reject, at which time the merchandise will either be reworked or returned to you. This fee is in addition to any restocking or handling fee of at least 10% which may be levied. Credit for returned merchandise will be issued at the original purchase price minus any fees listed above. **Only merchandise purchased within the past ninety (90) days may be returned. Special order merchandise cannot be cancelled or returned at anytime.**

3. All merchandise returned for credit must be shipped freight prepaid, using the freight classification specified by your Account Manager, to the following address:

   Sunair Products
   2525 Minnis Drive
   Fort Worth, Texas 76117

   Claims for delay, loss or damage should be made against the freight carrier.

4. Customers returning merchandise which is not approved for credit or replacement, will be notified in writing by a Sunair Account Manager. Failure by the customer to respond within ten (10) days to such notice will be just cause for Sunair to scrap or return the merchandise, freight collect, back to the customer.

5. In no case will total new product returns exceed 5% of the current year net purchases.

6. Returned goods privileges will apply only to customers currently purchasing Sunair Products and whose accounts are in current condition. No cash settlement will be made.

7. The customer shall not deduct amounts for returned merchandise from payments to Sunair. When approved returned merchandise has been received, inspected and processed, Sunair will **promptly issue credit** to the customer account. **No deduction** shall be made until the credit memo has been issued.

8. Customers needing additional assistance regarding the Merchandise Return Policy should contact their Sunair Account Manager.
